## **Who is USPA Nationwide Security?**

USPA Nationwide Security is a full service, licensed, bonded and insured security firm offering solutions to both governmental and private clientele. We specialize in high risk, innovative projects; most of which we have developed alongside our governmental partners.

### **Our core services include:**

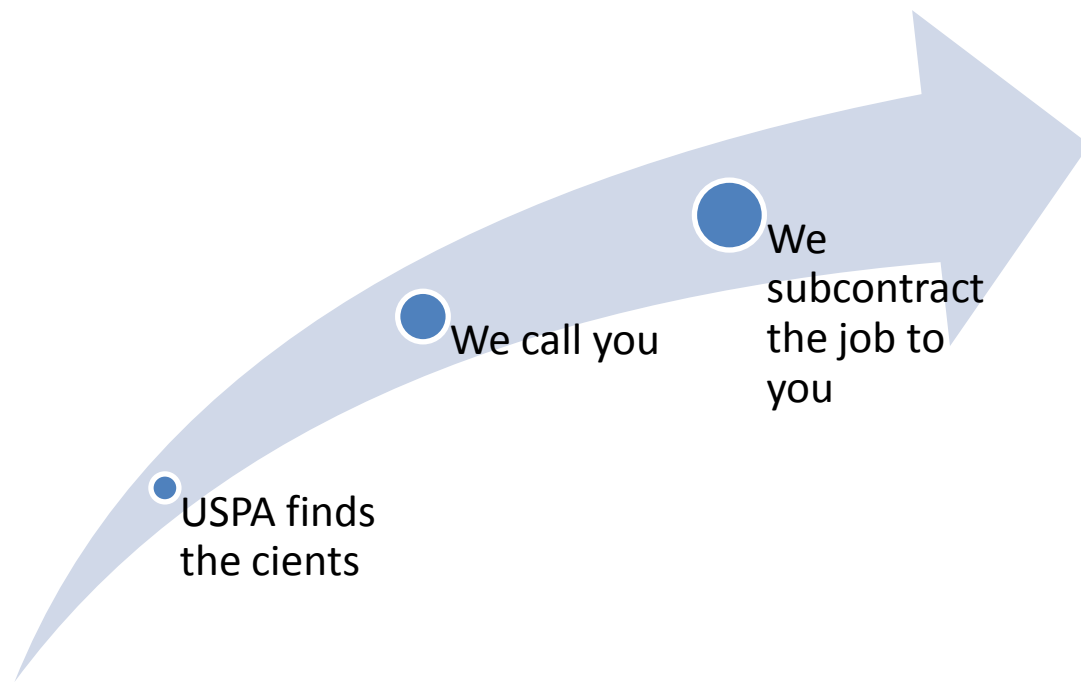

- \* Traditional Security Guards
- \* Armed Security Guards
- \* Governmental Security Administration
- \* Bodyguards & Event Security
- \* National Network of Certified Security Contractors
- \* National Network of Private Investigators
- \* Process Service
- \* Facility Maintenance

## **About the Certified Contractor Program**

With USPA Nationwide, your company gains a worldwide marketing reach, you'll enjoy uninterrupted cash flow for larger contracts\*, payroll assistance\* and our industry success. With our certified contractor program, your company is operating 100% as an independent certified contractor of USPA Nationwide. A quick application and a minimal investment of \$150 is all it takes to start receiving

qualified contracts in your area. You'll have the ability to tap into the resources of the fastest growing and most trusted security guard company in the world.

## How it Works

---

We handle the contracts, paperwork, customer service and negotiations. We simply call our contractor for that particular location, our contractors perform the work, and we pay our contractors according to our agreement. It's that easy.
